

Earn 5x with your Bilt Mastercard at Amazon

This promotional offer is valid beginning the day the email is sent to you, and ending on 60 calendar days after that start date. You will earn 5 rewards points (1 base plus 4 bonus) for every \$1 spent on net purchases (purchases minus returns / credits) at Amazon.com ("Amazon") subject to the [Bilt Rewards Program Terms and Conditions](#). Purchases will be subject to the [Amazon Conditions of Use](#). You are not eligible to earn any rewards points on Amazon purchases or portions of Amazon purchases when redeeming rewards points. The maximum amount of bonus rewards points you can earn under this promotion is 5,000 (which corresponds to \$1,250 in net purchases), regardless of the value of your purchase or how many transactions you make during the promotional period. Purchases not processed using the merchant description for Amazon will not qualify for bonus rewards points. You may not receive the bonus rewards points if Bilt Rewards receives inaccurate information or is otherwise unable to identify your purchase as qualifying for the offer. You must make at least 5 transactions in a statement period using your Bilt Mastercard to earn points, including bonus rewards points for this promotional offer. It may take up to 7 days for bonus rewards points earned through this offer to post to your account, provided that Bilt Rewards receives information from Amazon about your qualifying purchase. To qualify for this promotional offer, your Bilt Mastercard account must be open and not in default at the time of fulfillment. Should you receive rewards points on an ineligible purchase, Bilt Rewards may deduct those rewards points from your account at its discretion.
