

Get up to 5,000 points when you add your card on file and transact with select phone, internet, cable, and streaming services.

This promotional offer is valid beginning the day the email is sent to you and ending 30 days after that start date. You will earn 1,000 bonus Bilt Points (“points”) for the first transaction you make on any of the following merchants, up to 5,000 bonus points (up to 5 different merchants): Verizon®, AT&T®, Sprint®, Spectrum®, Xfinity®, Comcast®, T-Mobile®, Spotify®, Netflix®, and Hulu®. Purchases will be subject to the merchant’s terms of service as applicable. Multiple transactions at the same merchant will not qualify for additional bonus points. These bonus points are in addition to the base earnings of every \$1 spent on net purchases (purchases minus returns/credits). This offer is not subject to the 5 transaction minimum requirement each statement period to earn up to 5,000 points, but the transaction(s) do count towards the 5 transaction minimum requirement for other earnings. This offer is subject to [Bilt Rewards Program Terms and Conditions](#). The maximum amount of bonus rewards points you can earn under this promotion is 5,000, regardless of the value of your purchase or how many transactions you make during the promotional period. Purchases not processed by the merchants mentioned above will not qualify for rewards points. Bilt does not have the ability to control how a retailer chooses to classify its business and, therefore, reserves the right to determine which purchases qualify for bonus rewards points. You may not earn bonus rewards points for purchases made through third-party payment accounts, at online marketplaces, with retailers who submit purchases using a mobile/wireless card reader, or if you use a mobile or digital wallet. If your streaming service subscription is bundled with another product, membership, or service or billed by a third party (such as a digital platform, a cable, telecommunications, or internet provider, online retailer, or in-vehicle streaming service), your purchase may not be eligible for bonus points. You may not receive the bonus points if Bilt Rewards receives inaccurate information or is otherwise unable to identify your purchase as qualifying for the offer, and purchases may fall outside of the offer period in some cases due to a delay in merchants submitting transactions or if the purchase date differs from the date you made the transaction. It may take up to 7 days for bonus points earned through this offer to post to your account, provided that Bilt Rewards receives information from the merchant about your qualifying purchase. To qualify for this promotional offer, your Bilt Mastercard account must be open and not in default at the time of fulfillment. Should you receive bonus points on an ineligible purchase, Bilt Rewards may deduct those points at its discretion. Bilt is not affiliated with or endorsed or sponsored by any of these phone, internet, cable or streaming services or any of their respective parents, affiliates and subsidiaries in any way. Any questions regarding this promotional offer should be directed to Bilt.
