

## **Bilt Neighborhood Fitness Terms and Conditions**

### Fitness Bookings

You will earn rewards points for every dollar spent on booking fitness classes through the Bilt app or Bilt website. The rewards points will be awarded at a rate of 2x-10x per dollar spent depending on the rewards points multiplier indicated in the Bilt app at the time of purchase. The applicable multiplier is specific to each studio and is subject to change over time, and rewards points will be awarded as indicated in the Bilt app or on the Bilt website at the time of purchase. Classes must be purchased directly through Bilt in order to be eligible to earn rewards points and must be booked with any eligible card linked to your Bilt account (must be a Visa®, Mastercard®, or American Express® card).

All Bilt members are eligible to earn rewards points on fitness classes booked in the Bilt app. Bookings directly on the partner website or app do not qualify for additional rewards points. You are not eligible to earn any rewards points on fitness classes booked in the Bilt app using rewards points. There is no maximum amount of rewards points you can earn under this offer. It may take up to seven (7) days for rewards points earned under this offer to post to your account. Should you receive rewards points on an ineligible purchase, Bilt retains the right to deduct those rewards points in the future.

### SoulCycle®

All SoulCycle® classes booked through the Bilt app are non-refundable and are subject to SoulCycle's cancellation policy as outlined below and in the [SoulCycle Terms and Conditions](#), excerpted here for ease of reference:

"In order to cancel a reservation in a SOUL class and return it to your account, you must unreserve by 5 PM the night prior to the class. Once your reservation is canceled, the class will be returned to your account to be used at a future date; the class is not refunded. If you haven't canceled by 5 PM the night before, your scheduled class will be charged to your series. Please note, however, that this cancellation provision is only for Classes, and does not apply to your purchase of Soul Early, which is a scheduling feature and is non-refundable unless a class is canceled by SoulCycle or if you wish to be refunded in the event of an instructor change.

You can cancel your reservation in the following ways:

1. Log into your account on the Website or the App, and, next to the class you wish to cancel, press "unreserve".
2. Call the studio where you're booked to cancel the class for you."

This offer is subject in all respects to the [Bilt Rewards Terms and Conditions](#). Bilt retains the right to suspend or end this offer at any time in its sole discretion. Once a SoulCycle class is booked it is subject to the [SoulCycle Terms and Conditions](#).
